

Correo Aereo

Letter of Recommendation

NM Tech Performing Arts Series

Please extend my warmest thanks and gratitude to Correo Aéreo for a wonderful opening concert in the New Mexico Tech Performing Arts Series in Socorro.

I received so much positive feedback about their performance. Abel and Madeleine have a charismatic stage presence; Madeleine's dance and theater background is so evident in the unique way she sings, plays percussion and violin. Although Abel had a bad cold, I don't think anyone in the audience realized. Correo Aéreo has a very different sound, not typical at all for a group doing a variety of South American music. They are very mesmerizing to watch and hear. So I hope you share this letter with them both, and again, we really enjoyed their performance. I hope we can have a return visit.

Ronna Kalish, Director, NM Tech Performing Arts Series
